Dear Carol Springer.

Thank you for your letter of 9/3-´92-
Here is what I have found of informations, concerning C.F.Tietgen.
Build by Harland & Wolff in Belfast in 1897.
8173 B.R.T., 469 eng. foot long, 5000 HP.
C.F.Tietgen was first bought by the Holland-America Line, where it was called "Rotterdam".
In 1906 the ship was bought by the Scandinavian-American Line, and called C.F.Tietgen.
It´s first departure from Copenhagen was april.26.-1906.
In 1913 the C.F.Tietgen was sold to the Russian- East Asiatic Co.
Enclosed is a picture of some of the ship´s, from that time.
I hope you can use these informations.

Sincerly.

Vienna, Austria, May 5.—The new fascist constitution superimposed recently on the people of Austria by the Dollfuss dictatorship is one of the most reactionary and absolutist documents of the twentieth century.

The preamble sounds the note of clericalism in no uncertain terms:

He Won't Put Hands Up for Anyone—Shot by Bandit

Fred Forsgren, 36, of 2409 N. Springfield av., a foreman for the Illinois Tool Company, was shot and seriously wounded in the chest and left arm by one of two robbers, who fired a blast from a shotgun when he refused to hold up his hands as he sat in his automobile with Miss Edna Brunhofer, 30, in front of her home at 2527 N. Drake av., early today.

The robbers, driving up in an automobile, alighted and approached. They said:

"This is a stickup. Get out and hold up your hands."

Forsgren replied:

"I won't put up my hands for any one."

The shotgun blast followed and the bandits fled. At the Belmont Hospital it was said Forsgren's condition is serious.

REFUSES TO PUT UP HANDS; SHOT DOWN BY BANDIT

The flat refusal of Fred Forsgren, 36 years old, 2409 North Springfield avenue, a foreman, to put up his hands at the commands of two bandits may cost him his life. Forsgren was sitting in his parked car with Miss Edna Brunhofer, 26 years old, in front of her home at 2527 North Drake avenue this morning when the robbers drove up beside them in another machine. Pointing guns at him, the hoodlums ordered him to raise his hands.

"I won't put up my hands for anybody," retorted Forsgren, and he kept his hands down. The bandits didn't ask a second time. One of them fired pointblank at Forsgren. The bullet passed through Forsgren's left arm and lodged in his chest. He was taken to the Belmont hospital. Doctors pronounced his condition as serious. The bandits got away.

AND THE MORTGAGOR FURTHER COVENANTS AS FOLLOWS:

1. That he will pay the indebtedness as provided in said note and this mortgage; and that he is the owner of said premises in fee simple. Privilege is reserved to pay the debt in whole, or in an amount equal to one or more monthly payments on the principal that are next due on the note, on the first day of any month prior to maturity; provided, however, that written notice of an intention to exercise such privilege is given at least thirty (30) days prior to prepayment; and provided further that in the event the debt is paid in full prior to maturity and at that time it is insured under the provisions of the National Housing Act, he will pay to the mortgagee an insurance premium charge of one per centum (1%) of the original principal amount thereof, except that in no event shall the adjusted premium exceed the aggregate amount of premium charges which would have been payable if the mortgage had continued to be insured until maturity; such payment to be applied by the mortgagee upon its obligation to the Federal Housing Administrator on account of mortgage insurance.

2. That, in order more fully to protect the security of this mortgage, he will pay to the mortgagee, together with, and in addition to, the monthly payments under the terms of the note secured hereby, on the first day of each month until the said note is fully paid, the following sums:

(*a*) If this mortgage and the note secured hereby are insured under the provisions of the National Housing Act and so long as they continue to be so insured, one-twelfth (1/12) of the annual mortgage insurance premium for the purpose of putting the mortgagee in funds with which to discharge the said mortgagee's obligation to the Federal Housing Administrator for mortgage insurance premiums pursuant to the provisions of Title II of the National Housing Act, as amended, and Regulations thereunder. The mortgagee shall, on the termination of its obligation to pay mortgage insurance premiums, credit to the account of the mortgagor all payments made under the provisions of this subsection which the mortgagee has not become obligated to pay to the Federal Housing Administrator.

(*b*) A sum equal to the ground rents, if any, next due, plus the premiums that will next become due and payable on policies of fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged property (all as estimated by the mortgagee) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes and assessments will become delinquent, such sums to be held by mortgagee in trust to pay said ground rents, premiums, taxes, and special assessments.

(*c*) All payments mentioned in the two preceding subsections of this paragraph and all payments to be made under the note secured hereby shall be added together and the aggregate amount thereof shall be paid by the mortgagor each month in a single payment to be applied by the mortgagee to the following items in the order set forth:

I. Premium charges under the contract of insurance with the Federal Housing Administrator;
II. ground rents, taxes, special assessments, fire and other hazard insurance premiums;
III. interest on the note secured hereby; and
IV. amortization of the principal of said note.

Any deficiency in the amount of such aggregate monthly payment shall, unless made good by the mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage deed. In the event that any payment provided for in the note secured hereby shall become overdue for a period in excess of fifteen (15) days, the mortgagor agrees to pay a "late charge" of   cents (¢) (not to exceed two cents (2¢)) for each dollar ($1) so overdue, for the purpose of defraying the expense incident to handling the delinquent payment.

3. That if the total of the payments made by the mortgagor under (*b*) of paragraph 2 preceding shall exceed the amount of payments actually made by the mortgagee for ground rents, taxes or assessments or insurance premiums, as the case may be, such excess shall be credited by the mortgagee on subsequent payments to be made by the mortgagor. If, however, the monthly payments made by the mortgagor under (*b*) of paragraph 2 preceding shall not be sufficient to pay ground rents, taxes and assessments and insurance premiums, as the case may be, when the same shall become due and payable, then the mortgagor shall pay to the mortgagee any amount necessary to make up the deficiency on or before the date when payment of such ground rents, taxes, assessments or insurance premiums shall be due. If at any time the mortgagor shall tender to the mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the mortgagee shall, in computing the amount of such indebtedness, credit to the account of the mortgagor all payments made under the provisions of (*a*) of paragraph 2 hereof which the mortgagee has not become obligated to pay to the Federal Housing Administrator, and any balance remaining in the funds accumulated under the provisions of (*b*) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby or if the mortgagee acquires the property otherwise after default, the mortgagee shall apply, at the time of the commencement of such proceedings or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under (*b*) of paragraph 2 preceding as a credit against the amount of principal then remaining unpaid under said note, and shall properly adjust any payments which shall have been made under (*a*) of said paragraph.

4. That he will pay all taxes, assessments, water rates and other governmental or municipal charges, fines or impositions, for which provision has not been made hereinbefore, and in default thereof the mortgagee may pay the same; and that he will promptly deliver the official receipts therefor to the said mortgagee.

5. That he will take reasonable care of the mortgaged premises, and the buildings thereon, and will maintain the same in as good repair and condition as at the original date of this mortgage, ordinary depreciation excepted; and that he will commit or permit no waste, and do no act which would unduly impair or depreciate the value of the property as security.

6. That he will keep the improvements now existing or hereafter erected on the mortgaged property, insured as may be required from time to time by the mortgagee against loss by fire and other hazards, casualties and contingencies in such amounts and for such periods as may be required by mortgagee, and will pay promptly, when due, any premiums on such insurance for payment of which provision has not been made hereinbefore. All insurance shall be carried in companies approved by mortgagee and the policies and

renewals thereof shall be held by mortgagee and have attached thereto loss payable clauses in favor of and in form acceptable to the mortgagee. In event of loss mortgagor will give immediate notice by mail to mortgagee, and mortgagee may make proof of loss if not made promptly by mortgagor, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to mortgagee instead of to mortgagor and mortgagee jointly, and the insurance proceeds, or any part thereof, may be applied by mortgagee at its option either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In event of foreclosure of this mortgage or other transfer of title to the mortgaged property in extinguishment of the indebtedness secured hereby, all right, title and interest of the mortgagor in and to any insurance policies then in force shall pass to the purchaser or grantee.

7. That in case proceedings to foreclose this mortgage are instituted, any sums necessarily expended for the continuation of the abstract of title to the above-described real estate, together with interest thereon at four and one-half per centum (4½%) per annum, shall become a part of the debt secured by this mortgage and shall be collectible as such.

8. That if default be made in the payment of any of the installments provided for in paragraph 2 hereof for taxes, assessments, fire and other hazard insurance, and mortgage insurance, or in the event of the failure of the mortgagor to keep the buildings on said premises and those to be erected on said premises, or improvements thereon, in good repair, said mortgagee may pay such taxes, assessments, mortgage and hazard insurance, make such repairs as in its discretion it may deem necessary properly to preserve the property and any sums so paid shall be a further lien on such premises under this mortgage, payable forthwith, with interest at the rate of four and one-half per centum (4½%) per annum until paid.

9. That should the proceeds of the loan made by the mortgagee to the mortgagor, the repayment of which is hereby secured, or any part thereof, or any amount paid out or advanced by the mortgagee, be used directly or indirectly to pay off, discharge, or satisfy, in whole or in part, any prior lien or encumbrance upon said premises above described, or any part thereof, then the mortgagee shall be subrogated to any additional security held by the holder of such lien or encumbrance.

10. That should any default be made in the payment of the installments provided for in paragraph 2 hereof, or in the performance of any other covenant in this mortgage or in the note secured hereby, when the same is payable or the time of performance has arrived, as above provided, then all the remainder of the aforesaid principal sums with all arrearages of interest, and sums payable pursuant to the provisions hereof, shall, at the option of said mortgagee, become immediately payable, and the mortgagee shall have the right to foreclose this mortgage, anything hereinbefore or in said note contained to the contrary notwithstanding, and any failure to exercise said option shall not constitute a waiver of the right to exercise the same at any other time.

11. That should proceedings to foreclose this mortgage be instituted, the mortgagee may apply for the appointment of a receiver (and the mortgagor hereby consents to the appointment of a receiver if there has been any default in the performance of any of the conditions of this mortgage), and such receiver is hereby authorized to take possession of the real estate above described, collect any rental, accrued or to accrue, whether in money or kind, for the use or occupancy of said premises by any person, firm or corporation, or may let or lease said premises or any part thereof, receive the rents, income and profits therefrom, and hold the proceeds subject to the orders of the court, or the judge thereof, for the benefit of the mortgagee, pending the final decree in said proceedings, and during any period allowed by law for the redemption from any sale ordered in said cause, and said receiver may be appointed irrespective of the value of the mortgaged property or its adequacy to secure or discharge the indebtedness due or to become due or the solvency of the mortgagors. In the event of a default in any of the conditions of this mortgage the mortgagee is also expressly given the right to take possession of and hold the mortgaged premises with or without process of law and collect the rents and profits therefrom, applying the same to the charges and payments due under the conditions of the mortgage so long as a default shall continue, and such taking possession shall in no way waive the right of the mortgagee to foreclose this mortgage because of a default.

12. No sale of the premises hereby mortgaged and no forbearance on the part of the mortgagee or its assigns and no extension of the time for the payment of the debt hereby secured given by the mortgagee or its assigns shall operate to release, discharge, modify, change or affect the original liability of the mortgagor herein either in whole or in part.

13. That any person, firm or corporation taking a junior mortgage, or other lien, upon said real estate, shall take the said lien subject to the rights of the mortgagee herein to extend the maturity of the indebtedness hereby secured without obtaining the consent of the holder of said junior lien and without the lien of this mortgage losing its priority over any such junior lien.

14. That in the event the property pledged by this instrument is sold under foreclosure and the proceeds are insufficient to pay the total indebtedness evidenced and secured by this instrument the mortgagee will be entitled to a deficiency judgment.

It is specifically agreed that time is of the essence of this contract and that the waiver of any options, or obligations secured hereby, shall not at any time thereafter be held to be an abandonment of such rights. Notice of the exercise of any option granted to the mortgagee herein, or in the note secured hereby, is not required to be given. All sums payable herein shall be without relief from valuation and appraisement laws and with reasonable attorney's fees.

The covenants herein contained shall bind, and the benefits and advantages shall inure to, the respective heirs, executors, administrators, successors and assigns of the parties hereto. Whenever used, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all genders.

IN WITNESS WHEREOF, The said mortgagor has hereunto set its hand and seal this 1st day of August , 19 41

Both have resided here for years, and they are thoroughly familiar with
this line of business.

How to figure your tax

IF YOUR INCOME WAS LESS THAN $5,000.—You may find your tax in the tax table on page 4. This table, which is provided by law, automatically allows about 10 percent of your total income for charitable contributions, interest, taxes, casualty losses, medical expenses, and miscellaneous expenses. If your expenditures and losses of these classes amount to more than 10 percent, it will usually be to your advantage to itemize them and compute your tax on page 3.

IF YOUR INCOME WAS $5,000 OR MORE.—Disregard the tax table and compute your tax on page 3. You may either take a standard deduction or itemize your deductions, whichever is to your advantage.

HUSBAND AND WIFE.—To obtain benefits of split-income provisions, husband and wife must file a joint return. If husband and wife file separate returns, and one itemizes deductions, the other must also itemize deductions.

IF INCOME WAS $5,000 OR MORE.—Do not use tax table. Compute tax on page 3. Use standard deduction or itemize deductions, whichever is to your advantage.

Dear Harold:

I am writing you about our recent examination of Mr. Fred E. Forsgren. We found that this man has severe chronic liver disease and gall stones, otherwise he is well. In addition to the routine examination, his liver and intestinal tract was completely examined. The situation is sufficiently critical so that it is of the first importance that he receive adequate treatment at once. I believe that there is a good possibility that the situation can be arrested and that he may make a satisfactory recovery. For the next month he can continue at work, although he must take it a little bit easy and will receive various medicines. However, if this is ineffective, it will be necessary for him to take two or three months away from work and go to bed. We will keep you informed of developments.

With best regards.

Sincerely yours,

This place is not getting anywhere fast. They have not bought one single hob except what came with the original tooling. But its ~~in the making~~ now and we will receive some prints soon to quote on and with our hob del. we stand a very good chance to get the lions share of their hob business.

I imagine that you are aware of the fact that all machinery incl. checking equipment is bought through the Detroit office which puts me in a hell of a predicament in more ways than one where we have had a lot of trouble already was to Straighten out the accessories that go with the various checking machines but I think before this month is over we will have them all taken care of. This pertains to paper work mostly I talked with Mr Timm yesterday for quite a while and he

But Mr Miller what can we do about flat broaches here the absolutely can't wait for our long del. Now there are some Items that they can waite a certain lenght of time which we can meet but then there are some Items that they must have in less than 6 months.

They are gaing to buy (according to the boys here) a whole years supply and you can imagine if I have to pull all my hair out I'll look worse than I do now

However it it seems like our competitors are in bad shape also. which makes me feel a little better So do the best you can when these prints come in or my litte daughter

Dear Mrs. Forsgren,

In accordance with the conversations when you were here, I give you the following information we have received and our impressions, after further discussions with Messrs. Johnson, England and Kent.

The Lincoln National Bank & Trust Company of Fort Wayne is a very excellent bank whose principles and ethics are of the highest. Our source of information indicates that Mr. Overmeyer is perfectly competent to advise you concerning the property you are now occupying and which you are having some difficulty in disposing of.

I enclose a copy of a report on the MASCO SCREW PRODUCTS CO., of Dearborn, Michigan, a company in which you said Fred's brother's estate had 1500 shares.

I also enclose copy of a letter from our district manager in Detroit concerning the market value of these shares. From the information we have it would seem that for a young lady in your position, if you could sell this stock at $3.00 a share, it would be wise to do so. The Bank could arrange to sell the shares for you should you decide to dispose of them.

I assume that in your thoughts concerning the sale of the real estate, you might prefer to dispose of such property on a basis whereby you would not have to give possession until after school is out feeling that you would not want to take your daughter out of school in mid-year and return to Chicago.

As was suggested we do strongly urge you to set down on a piece of paper the different assets you have and develop your thoughts as to what you might like to do with them.

At any time you desire us to review such a summary with you either Mr. Kent or myself shall be glad to help.

Sincerely,

Dear Cal:

Received your letter of December 30 on the above subject. I immediately checked my broker and he advised that the market price of this stock is 2 7/8 and it is being offered at 3 1/8. This stock is listed on the Detroit Stock Exchange. The last sale, which was the last week in December, sold at $3.00 a share. The earning of this stock in 1954 was 80¢ a share. The first six months of 1955 their earnings showed 24¢ a share. There is no preferred stock out. The dividend declared July 1955 was 5¢ a share.

My broker was not very enthusiastic about this stock in fact he was very cool.

Hoping this is the information you want.

Sincerely,

(S) Russ Maude

POSITION: The company manufactures screw products for the automobile industry. Defense business, which accounted for as high a proportion of sales as 45%, was terminated in 1954.

FUNDAMENTAL POSITION

Masco Screw Products manufactures screw products for the automobile industry.

The plant at Dearborn, Mich., contains more than 96,000 square feet of floor space. Facilities were expanded during 1951 at a cost of $250,000 to provide the additional facilities required for defense work; Certificates of Necessity were obtained to cover $133,472 of the expenditure.

Sales normally reflect the level of activity in the automobile industry. Earnings fluctuate over a somewhat wider range, reflecting keen competitive conditions in the automotive screw products field.

Growing defense work lifted sales to successive new peaks in 1951 and 1952, but the narrow spread nature of such work resulted in some narrowing in profit margins. Defense work, of which fuse parts comprised an important part, accounted for about 40% of output in 1953, and for 45% of total sales in 1954, when prime contracts with the United States Army were completed and terminated.

Employees: About 260.

RECENT DEVELOPMENTS

Sales dropped 34% below a year before in 1954, reflecting reduced output by the automobile industry, and earlier shut-downs for model changeovers, as well as completion of defense work, which nevertheless accounted for 45% of total output. Keen competition for the available automotive business is indicated to have narrowed profit margins on the reduced volumes, and operating income fell 35%. Other income receded to $11,616, from $23,417; pretax net was down from 64% in 1953, when excess profits tax liability amounted to about $0.33 a share, net income declined 11%.

In the first half of 1955, sales of $2,417,410 were equal to 41% of the 1954 full-year total. The carry-through to net before taxes amounted to 7.1%. After a 49% provision for taxes, earnings amounted to $0.24 a share.

Red Party Is Again on Top

As in the rise of Stalin, so in the emergence of Khrushchev, the power of the Communist Party in Soviet Russia transcends the power of the State. The error that is often made in American thinking about Russian affairs is that we assume that the Russian government is supreme in that country, whereas as a matter of Marxian procedure it is the Party which speaks for the dictatorship of the proletariat and therefore the Party is the

TOLL IN HOTEL BLAZE 28; ONLY 10 IDENTIFIED

Bodies of the 27th and 28th victims were removed yesterday from the ruins of the Barton hotel, 644-48 Madison st., which was swept by fire early Saturday.

The bodies, unidentified, were found by workmen of the Speedway Wrecking company who are tearing down the hotel ruins. The police missing persons bureau said that print comparisons have established the identities of 10 of the victims.

List Identifications

These included three positive identifications previously made by relatives. The 10 are Edgar Piette, 59; Charles J. Butala, 44; John H. Dunning, 50; Joseph Dobosz, 40; Irwin Nelson, 44; William Cromwell; Frank M. Slaughter, 53; Charles E. Edenhart, 45; Wilbert J. Edwards, 44, and Stephen Aloysius Harkins, 60.

Nelson, Butala, and Harkins were identified thru prints on file because of their military service. Seven other bodies have been identified tentatively, and 11 others are unknown.

Harry Glos, chief investigator for Coroner Walter E. McCarron, and Deputy Coroner Ray Kiedro visited seven other skid row hotels yesterday in their second day of examining such structures.

Glos said they found "terrible filth" in the 42 room Family hotel at 616 Madison st. Four fire extinguishers were found to have been filled with water, instead of fire fighting chemicals, he said.

Some Found "Good"

Glos said the Etna hotel, 645 Madison st., with 150 rooms, was dirty and had junk littered rooms, and that the New Madison hotel, 661 Madison st., with 213 rooms, was unsanitary.

Other hotels which Glos and Kiedro said were in "fair" or "good" shape included the Jefferson, 600 Madison; the McEwan, 610-12 Madison; the Fremont, 609 Madison, and the West, 737 Madison.

Room rates ranged from 65c to $1.25 a night in the various hotels. The West hotel offered a 4 room apartment for $3 a night, Glos said.

PROBE SUICIDE OF CHAUFFEUR FOR MAE WEST

Authorities yesterday were investigating the apparent suicide of Ray Charles Wallace, 44, personal chauffeur for Actress Mae West. His body was found Tuesday in Miss West's Cadillac limousine on a farm near Patoka, Ind.

Miss West, currently appearing at a Chicago night club, said she could give no reason for Wallace's death. Her manager, Vincent Lopez, said Wallace left Miami on Feb. 7 to drive the car here. Lopez said Wallace called him several times en route to complain of having "lots of trouble." Lopez said he notified Indiana state police Sunday to be on the lookout for Wallace.

Coroner Robert Kendall termed the death suicide. He said a hose ran from the exhaust pipe to the car's interior. In the car was a sealed metal box bearing Miss West's name. Miss West, who flew here from Miami, said she didn't know what the box contained.

TOLL IN HOTEL BLAZE 28; ONLY 10 IDENTIFIED

Bodies of the 27th and 28th victims were removed yesterday from the ruins of the Barton hotel, 644-48 Madison st., which was swept by fire early Saturday.

The bodies, unidentified, were found by workmen of the Speedway Wrecking company who are tearing down the hotel ruins. The police missing persons bureau said that print comparisons have established the identities of 10 of the victims.

List Identifications

These included three positive identifications previously made by relatives. The 10 are Edgar Piette, 59; Charles J. Butala, 44; John H. Dunning, 50; Joseph Dobosz, 40; Irwin Nelson, 44; William Cromwell; Frank M. Slaughter, 53; Charles E. Edenhart, 45; Wilbert J. Edwards, 44, and Stephen Aloysius Harkins, 60.

Nelson, Butala, and Harkins were identified thru prints on file because of their military service. Seven other bodies have been identified tentatively, and 11 others are unknown.

Harry Glos, chief investigator for Coroner Walter E. McCarron, and Deputy Coroner Ray Kiedro visited seven other skid row hotels yesterday in their second day of examining such structures.

Glos said they found "terrible filth" in the 42 room Family hotel at 616 Madison st. Four fire extinguishers were found to have been filled with water, instead of fire fighting chemicals, he said.

Some Found "Good"

Glos said the Etna hotel, 645 Madison st., with 150 rooms, was dirty and had junk littered rooms, and that the New Madison hotel, 661 Madison st., with 213 rooms, was unsanitary.

Other hotels which Glos and Kiedro said were in "fair" or "good" shape included the Jefferson, 600 Madison; the McEwan, 610-12 Madison; the Fremont, 609 Madison, and the West, 737 Madison.

Room rates ranged from 65c to $1.25 a night in the various hotels. The West hotel offered a 4 room apartment for $3 a night, Glos said.

PROBE SUICIDE OF CHAUFFEUR FOR MAE WEST

Authorities yesterday were investigating the apparent suicide of Ray Charles Wallace, 44, personal chauffeur for Actress Mae West. His body was found Tuesday in Miss West's Cadillac limousine on a farm near Patoka, Ind.

Miss West, currently appearing at a Chicago night club, said she could give no reason for Wallace's death. Her manager, Vincent Lopez, said Wallace left Miami on Feb. 7 to drive the car here. Lopez said Wallace called him several times en route to complain of having "lots of trouble." Lopez said he notified Indiana state police Sunday to be on the lookout for Wallace.

Coroner Robert Kendall termed the death suicide. He said a hose ran from the exhaust pipe to the car's interior. In the car was a sealed metal box bearing Miss West's name. Miss West, who flew here from Miami, said she didn't know what the box contained.

WELSHEIMER FUNERAL HOME
South Bend, Indiana

IN MEMORIAM

Strong Son of God, immortal Love,
Whom we, that have not seen thy face,
By faith, and faith alone embrace,
Believing where we cannot prove;

Thine are these orbs of light and shade;
Thou madest Life in man and brute;
Thou madest Death; and lo, thy foot
Is on the skull which thou hast made.

Thy voice is on the rolling air;
I hear thee where the waters run;
Thou standest in the rising sun,
And in the setting thou art fair.

Far off thou art, but ever nigh;
I have thee still, and I rejoice;
I prosper, circled with thy voice;
I shall not lose thee though I die.

I hold it true, whate'er befall;
I feel it, when I sorrow most;
'Tis better to have loved and lost
Than never to have loved at all.

CROSSING THE BAR

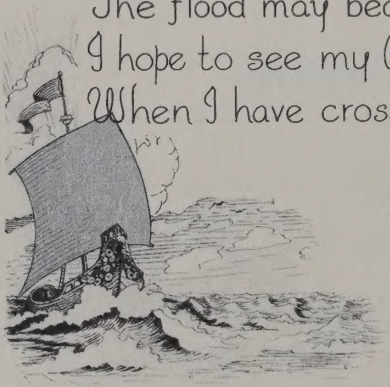
Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea.

But such a tide as moving seems asleep
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For though from out our bourne of Time and Place
The flood may bear me far
I hope to see my Pilot face to face
When I have crossed the bar.

...ALFRED TENNYSON



BIOGRAPHY

"BLESSED ARE THEY THAT MOURN"

There is a day of sunny rest
For every dark and troubled night:
And grief may bide, an evening guest,
But joy shall come with early light

And thou, who, o'er thy friend's low bier
Sheddest the bitter drops like rain,
Hope that a brighter, happier sphere,
Will give him to thy arms again.

Nor let the good man's trust depart,
Though life its common gifts deny,
Though with a pierced and broken heart,
And spurned of men, he goes to die.

For God has marked each sorrowing day
And numbered every secret tear,
And heaven's long age of bliss shall pay
For all his children suffer here.
